**Wired Week - June 24-29 -**

**is fast approaching and our Students are very excited.**

There are several ways in which you can help support our students:

- a.) Prayer! Pray for safety, salvation, and spiritual growth for our students, as well as others involved in Wired.
- b.) We still have need for a few adult chaperones to help with the week of Wired. If you would be interested in helping for a few days or the whole week let me know and I'll give you more details.
- c.) Finally we have several opportunities to help financially with many of our students. We will be having a BBQ dinner and cake auction on June 13th to raise money. Also, you could always take part in our Envelope Wall Fundraiser found in the welcome room.

**Envelope Wall Fundraiser:** We have 100 envelopes in our welcome room that have been decorated by youth and kids and are full of pictures and ideas of what our kids and students will be involved with over the summer. We have several kids and students that may need extra support financially. If you are interested in supporting these students we ask that you grab an envelope with the amount you would like to donate on the front, take out your gifts, and put your donation into the envelope and turn it into the office. **Thank you for any support you're able to provide for our students!**

**Men's Father/Son Campout:** Calling all men! Mark **June 15-16** on your calendars! We'll be having a campout for fathers and sons and all men with fishing, games, and fire. **Sign up sheet in Welcome Room!**
