Words cannot begin to describe how much your calls, texts, thoughts, visits, prayers, and love have meant to us during this difficult time in our lives. Wired Week - June 24-29

is fast approaching

and our Students are very excited.

There are several ways in which you can help support our students:

a.) Prayer! Pray for safety, salvation, and spiritual growth for our students, as well as others involved in Wired.

b.) We have several opportunities to help financially with many of our students. One is our Envelope Wall Fundraiser found in the welcome room.

Envelope Wall Fundraiser: We have 100 envelopes in our welcome room that have been decorated by youth and kids and are full of pictures and ideas of what our kids and students will be involved with over the summer. We have several kids and students that may need extra support financially. If you are interested in supporting these students we ask that you grab an envelope with the amount you would like to donate on the front, take out your gifts, and put your donation into the envelope and turn it into the office. **Thank you for any support you're able to provide for our students!**
